No. 4:10CV2206 HEA

OPINION, MEMORANDUM AND ORDER

This matter is before the Court upon the motion of Cedric Perkins (registration no. 184164) for leave to commence this action without payment of the required filing fee.

28 U.S.C. § 1915(b)(1)

Pursuant to 28 U.S.C. § 1915(b)(1), a prisoner bringing a civil action in forma pauperis is required to pay the full amount of the filing fee. If the prisoner has insufficient funds in his or her prison account to pay the entire fee, the Court must assess and, when funds exist, collect an initial partial filing fee of 20 percent of the greater of (1) the average monthly deposits in the prisoner's account, or (2) the average monthly balance in the prisoner's account for the prior six-month period. After payment of the initial partial filing fee, the prisoner is required to make monthly payments of 20 percent of the preceding month's income credited to the prisoner's account. 28 U.S.C. § 1915(b)(2). The agency having custody of the prisoner will forward these monthly payments to the Clerk of Court each time the amount in the prisoner's account exceeds \$10, until the filing fee is fully paid. Id.

Plaintiff has submitted an affidavit and a certified copy of his prison account statement for the six-month period immediately preceding the submission of his complaint. A review of plaintiff's account indicates an average monthly deposit of \$152.33, and an average monthly balance of \$40.78. Plaintiff has insufficient funds to pay the entire filing fee. Accordingly, the Court will assess an initial partial filing fee of \$30.47, which is 20 percent of plaintiff's average monthly deposit.

28 U.S.C. § 1915(e)

Pursuant to 28 U.S.C. § 1915(e)(2)(B), the Court may dismiss a complaint filed in forma pauperis if the action is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief against a defendant who is immune from such relief. An action is frivolous if "it lacks an arguable basis in either law or in fact." Neitzke v. Williams, 490 U.S. 319, 328 (1989). An action fails to state a claim upon which relief can be granted if it does not plead "enough facts to state a claim to relief that is plausible on its face." Bell Atlantic Corp. v. Twombly, 550 U.S. 544, 570 (2007).

In reviewing a pro se complaint under § 1915(e)(2)(B), the Court must give the complaint the benefit of a liberal construction. Haines v. Kerner, 404 U.S. 519, 520 (1972). The Court must also weigh all factual allegations in favor of the plaintiff, unless the facts alleged are clearly baseless. Denton v. Hernandez, 504 U.S. 25, 32-33 (1992).

The Complaint

Plaintiff, an inmate at the Northeast Correctional Center, seeks monetary relief in this 42 U.S.C. § 1983 action against defendant Steve Larkins (Assistant Warden, Eastern Reception and Diagnostic Correctional Center). Plaintiff alleges that his cell mate brutally attacked him on December 9, 2009, and that the "D.O.C. . . . placed [plaintiff] in danger."

Discussion

Plaintiff brings this action against defendant in his official capacity. See Egerdahl v. Hibbing Community College, 72 F.3d 615, 619 (8th Cir. 1995)(where a complaint is silent about defendant's capacity, Court must interpret the complaint as including official-capacity claims); Nix v. Norman, 879 F.2d 429, 431 (8th Cir. 1989). Naming a government official in his or her official capacity is the equivalent of naming the government entity that employs the official, in this case the State of Missouri. Will v. Michigan Dep't of State Police, 491 U.S. 58, 71 (1989). "[N]either a State nor its officials acting in their official capacity are 'persons' under § 1983." Id. As a result, the complaint fails to state a claim upon which relief can be granted.

In addition, plaintiff has asserted no claims against defendant Larkins. See Martin v. Sargent, 780 F.2d 1334, 1338 (8th Cir. 1985) (claim not cognizable under § 1983 where plaintiff fails to allege defendant was personally involved in or directly responsible for incidents that injured plaintiff); see also Boyd v. Knox, 47 F.3d 966, 968 (8th Cir. 1995)(theory of supervisory liability is inapplicable in § 1983 suits). For these reasons, the complaint is legally frivolous and fails to state a claim upon which relief can be granted.

Accordingly,

IT IS HEREBY ORDERED that plaintiff's motion to proceed in forma pauperis [Doc. #2] is **GRANTED**.

IT IS FURTHER ORDERED that plaintiff shall pay an initial filing fee of \$30.47 within thirty (30) days of the date of this Order. Plaintiff is instructed to make his remittance payable to "Clerk, United States District Court," and to include upon it: (1) his name; (2) his

prison registration number; (3) the case number; and (4) that the remittance is for an original proceeding.

IT IS FURTHER ORDERED that plaintiff's motion for appointment of counsel [Doc. #4] is **DENIED** as moot.

A separate Order of Dismissal shall accompany this Memorandum and Order.

Dated this 16th day of December, 2010.
